

Mahatma Gandhi Swachhta Mission - Action Plan										
Sr. No.	Activity/Invervention	Measureable Indicator		2014-15	2015-16	2016-17	2017-18	2018-19	Expected Outcome/ impact	Sustainabil ity and O & M
1	2	3		4	5	6	7	8	9	10
I	<b>Short term (December-2014)</b>									
A	Cleaning in public offices - headquarter, regional level, HoDs, parastatal level									
1	Cleaning of toilets in public premises	No.			To be sustained					
2	Cleaning of Offices of hostel, canteens, eateries, Staff quarters and service delivery centers such as schools, health institutions, bus station, port premises, estates, residential colonies etc.	No./Area in Sq.m/Garbage in kg	All Dept		To be sustained					
3	Furniture & fixtures are to be cleaned, rearranged and contents to be stored properly	No	All Dept		To be sustained					
4	Cleaning of campus, Landscaping & Gardening	No./Area in Sq.m/Garbage in kg	All Dept		To be sustained					
5	Maintenance of lawn and other open spaces in the campus and courtyards	Area in Sq.m.	All Dept		To be sustained					
6	Maintenance & repairs of existing toilets	No.			To be sustained					
7	Institutionalize operation and maintenance of toilets mentioned above	No. of premises and arrangement/ Annual Maintenance contrat/ outsourcing			To be sustained					
8	Institutional arrengement for regular removal of garbage from the campus premises	No. of premises	All Dept		To be sustained					
9	Segregation and temporary storage of waste and to coordinate with local self govt for proper disposal	No of facility/ Waste in Kg	All Dept		To be sustained					
10	Fitting of notice boards and Signage at appropriate locations	No	All Dept		To be sustained					
B	Water system									
1	Cleaning of water coolers	No. of locations	All Dept		To be sustained					
2	Cleaning of water tanks									
3	Cleaning of water purifiers									
4	Making operational all existing drinking water system with necessary repairs/fittings	No. of items	All Dept							

Mahatma Gandhi Swachhta Mission - Action Plan										
Sr. No.	Activity/Invervention	Measureable Indicator		2014-15	2015-16	2016-17	2017-18	2018-19	Expected Outcome/ impact	Sustainabil ity and O & M
1	2	3		4	5	6	7	8	9	10
C	Record Classification & Reuse/recycle of unused/underused office equipments within public offices									
1	Record Management - Classification of records	No.of files	All Dept		To be sustained					
2	Reuse/recycle (through repair) of all unused/ non functional furniture, vehicle dumped within the campus	No. of items	All Dept		To be sustained					
3	Reuse/recycle of unused/ non functional computers, printers, equipment etc. (e-waste management)	No. of Items	All Dept		To be sustained					
4	Removal of hanging cables and fitting them in proper alignment	No. of locations	All Dept		To be sustained					
D	Awareness & Sensitization									
1	Ban on use of Gutka, Pan Masala and Bidi/Cigarettes & spitting in public places & offices	No of notice issued/No of persons fined/Amount of fine collected	All Dept & LSGs		To be sustained					
1	Mass Awareness, Sensitization & Training on Sanitation, hygiene to various stake holders through mass media and house to house	No of sessions/ No. of persons contacted	All Dept		To be sustained					
2	Promotion of Ecofriendly material - IEC and preparatory grong work	No.of users & producers identified for conversion	All Dept		To be sustained					
3	Awareness about Cleanliness in all eateries (Kitchen, toilet, drinking water, dinning hall, personal hygiene of staff-cook & waiter)	No. of eateries	Food & Drug							
E	Drainage & Plumbing									
1	Identifying the drainage leakages if any and repair	No. of location	All Dept		To be sustained					
2	Fixing up of all water leakage and plumbing issues	No. of unit	All Dept		To be sustained					
3	Making operational all existing Wash basins	No. of items	All Dept		To be sustained					
F	Department Specific activity									
1	GPCB certification of public health facilities up to PHC level	No. of Health facility	H&FWD		To be sustained					
2	Cleaning of Canals and drains in co-ordination with WUA wherever possible	Kilometer	NWRWS&KD		To be sustained					
3	Survey of Canal length having problem of untreated solid and liquid waste	Kilometer	NWRWS&KD		To be sustained					
4	Cleaning of villege water work premises, water treatment plant	No	Water supply(NWRWS&KD)		To be sustained					
5	Cleaning of APMC, Market yards & Milk dairies	No	Agriculture & Cooperation		To be sustained					
6	Jungle cutting from road side	Kilometer	R & B		To be sustained					

Mahatma Gandhi Swachhta Mission - Action Plan										
Sr. No.	Activity/Invervention	Measureable Indicator		2014-15	2015-16	2016-17	2017-18	2018-19	Expected Outcome/ impact	Sustainabil ity and O & M
1	2	3		4	5	6	7	8	9	10
7	Washing repairing of transportation vehicles e.g. ST bus, ambulance etc	No of vehicles	GSRTC (Port & Transport)		To be sustained					
8	Inculcating culture for regular campus cleanliness	No. of Institution	Education		To be sustained					
9	<i>Institutionalize cleaning of public places and commercial aeas, Waste collection through institutional arrangements</i>	<i>No.of LSG</i>	<i>UD&amp;UHD, PRD &amp; RHD</i>		To be sustained					
10	<i>Institutionalize door to door collection of solid waste</i>	<i>No.of LSG</i>	<i>UD&amp;UHD, PRD &amp; RHD</i>		To be sustained					
11	<i>Survey of existing toilets(all types) and plan to make them operational</i>	<i>No. of toilets</i>	<i>All LSGs(UD&amp;UHD, PRD &amp; RHD)</i>		To be sustained					
12	<i>Set up facility for recycling and disposal of e-waste in coordination with ULBs</i>	<i>No. of unit</i>	<i>Science &amp; Technology</i>		To be sustained					
<b>II Medium Term (2014-16)</b>										
1	Standardization of cleaning services norms and quality assurance	SOP	All Dept			To be sustained				
2	Inculcation of clean habits among faculties, students, Employeess, public etc.	No. of persons	All Dept			To be sustained				
3	Construction and renovation of toilets with decent facilities in all offices and service delivery centers as required (Individual/ Community/ pay & use)	No. of Items	All Dept			To be sustained				
4	Institutionalize operation and maintenance of toilets mentioned above	Total no. of toilets covered under O&M	All Dept			To be sustained				
5	Condemnation/ Auction of non usable Furniture and vehicles	No. of Items	All Dept			To be sustained				
6	Monitoring of residual chlorine and bacteriological testing of water	No. of test	H&FWD			To be sustained				
7	All equipments are to be covered under AMC/ calibration in District Hospitals	No. of Health facility/ No. of equipments repaired/ no. of equipments operational	H&FWD			To be sustained				
8	Availability & usage of appropriate personal protective measures for handling biomedical and toxic Waste in Public health facilities.	Proportion of facilities with availability of hand gloves, rubber boots, mask & apron etc.	H&FWD, GIDC, GPCB			To be sustained				

### Mahatma Gandhi Swachhta Mission - Action Plan

Sr. No.	Activity/Invervention	Measureable Indicator		2014-15	2015-16	2016-17	2017-18	2018-19	Expected Outcome/ impact	Sustainabil ity and O & M
1	2	3		4	5	6	7	8	9	10
9	Institutionalize Cleaning of canals and drains	No	NWRWS&KD			To be sustained				
10	Cleaning of waterway of culverts, major junction	No	R&B			To be sustained				
11	Waste collection system as per norms in the port area		GMB(Port&Transp ort)			To be sustained				
12	Focus on NSS/NCC activities on cleanliness	No. of Institute	Education			To be sustained				
13	Implementation of methodology for liquid waste management system with proper connection to present drainage system and develop sockpit for biogas system	No. of Institute	Education			To be sustained				
14	Implementation and monitoring - Public Health Byelaws for all ULBs, Zero waste policy & City sanitation paln for Municipal Corporations and Sanitation MIS for other ULBs	No. of ULBs	UD & UHD			To be sustained				
15	Provision of Individual/ Community/ Pay & Use Toilets	No.	UD & UHD (100%), PRD & RHD(40%)			To be sustained				
16	Repairs of existing toilets (all types) as per survey carried out in short term planning and make them operational	No.	All LSGs(UD&UHD, PRD & RHD)			To be sustained				
17	Institutionalize segregation of solid waste in all commercial institutions & high income residential premises	No.	UD & UHD, PRD & RHD			To be sustained				
18	Replacement of plastic bags with cotton/jute/paper bags through livelihood beneficiaries	No of producers and users identified for conversion	UD & UHD, PRD & RHD			To be sustained				
19	Bring down pollution in critically polluted industrial estates of Ahmedabad, Ankleshwar & Vapi to acceptable level	Pollution Parameter	GPCB (Forest & Environment)			To be sustained				
20	Disposal of seized articles & commodities	No. of articles	Food & Civil supply			To be sustained				
21	SOP formulation and Institutionalize cleanliness in all eateries	Fine collected from no. of eateries, licence cancelled	Food & Drug			To be sustained				
22	Replacement of Plaster of paris with clay	No of producers and users identified for conversion	Cottege industries (I & M)			To be sustained				
23	Construction of toilets with decent facilities at tourist and pilgrim places as required	No. of Items	Tourism (I & M)			To be sustained				
24	Institutionalize waste collection system in synchronization with ULBs at tourist and pilgrim places.		Tourism (I & M)			To be sustained				
25	Construction of toilets with decent facilities in police lines as required	No. of Items	Police Dept			To be sustained				
26	Institutionalize waste collection system in synchronization with ULBs at policelines.		Police Dept			To be sustained				

Mahatma Gandhi Swachhta Mission - Action Plan										
Sr. No.	Activity/Invervention	Measureable Indicator		2014-15	2015-16	2016-17	2017-18	2018-19	Expected Outcome/ impact	Sustainabil ity and O & M
1	2	3		4	5	6	7	8	9	10
<b>III Long term (2014-19)</b>										
1	Permanant Mechanism for solid and liquid waste management system in all service delivary centers in synchronization with system of local authorities	No. of institution	All Dept							
2	Use of biodegradable material in office stationary		All Dept							
3	Composting pit facility for processing organic waste at PHC & CHC level	No. of Health facility	H&FWD							
4	Quarterly bacteriological investigations & reporting by swabs taken from sterile instruments in OT, labor room up to PHC level	No. of Investigation	H&FWD							
5	All equipments covered under AMC/ calibration in CHCs, PHCs, UPHCs.	No. of Health facility/ No. of equipments repaired/ no. of equipments operational	H&FWD							
6	Pre Exposure prophylaxis with TT, Hepatitis B, Measles, Rubella of all eligible employees as per guidelines up to SC level	Percentage of eligible employees immunized against TT/Hep B/ Measles/ Rubella	H&FWD							
7	<i>Promote/ set up system for providing backward/ forward linkages for using compost and treated water</i>		<i>Agriculture &amp; Cooperation</i>							
8	Roadside cleaning of State highways and National highways(with state)	Kilometer	R & B							
9	Recycling of building debris	Ton	R & B, ULBs							
10	Mechanization of ports for closed handling of dirty cargo to prevent environmental hazards		GMB(Port&Transport)							
11	Maintain cleanliness of draft in port		GMB(Port&Transport)							
12	Solid waste management - Collection, transportation, process	Amount of waste collected	All ULBs (UD & UHD)							
13	Providing Sewerage/ Effluent treatment facilities for ULBs	Operational capacities	All ULBs (UD & UHD)							
14	Providing Sanitary Landfill Facilities through Cluster Based/ Stand Alone/ PPP mode	No. of landfill with coverage	All ULBs (UD & UHD)							

Mahatma Gandhi Swachhta Mission - Action Plan										
Sr. No.	Activity/Invervention	Measureable Indicator		2014-15	2015-16	2016-17	2017-18	2018-19	Expected Outcome/ impact	Sustainabil ity and O & M
1	2	3		4	5	6	7	8	9	10
15	Provision of Individual/ Community/ Pay & Use Toilets	No.	PRD & RHD(100%)							
16	Monitoring implementation of Poluted river streches cleaning scheme	No. of rivers/ Processed length of streches	GPCB (Forest & Environment)							
17	Dust free & clean environment for storage facilities in godowns CSC, PDS shops	No. of godowns, shops	Food & Civil supply							
18	Effluent treatment plants in all GIDC and other industrial estates as per norms	No. of plants	GIDC, Industries & Mine							
19	Forward / backward linkages for distributing compost & treated water to industries in consultation with ULBs	Amount in mlds	Industries & Mine							
20	Institutionalize segregation of solid and liquid waste at all tourist and pilgrim places	No. of places/ amount in kg	Tourism (I & M)							
21	Institutionalize segregation of solid and liquid waste in police lines	No. of places/ amount in kg	Police Dept							
22	Forward / backward linkages for distributing energy generated from Solid & Liquid waste in consultation with ULBs	Amount in kw/mw	Energy & Petrochemical
